CITIZEN PARTICIPATION FOR NON-AGENDA ITEMS (5-minute time limit per person):

1. Mike Bourget, 2411 Santa Fe Avenue: Questioned why the city purchased Armor Sheet Metal. City Manager Klein explained that Mr. Giltner was going out of business and nobody showed any interest, so he approached the city. He was going to train the city on how to maintain the HVAC systems in the city buildings. Unfortunately, he passed away before this could happen. If someone were interested in the building, they may contact Mr. Klein.

VIRTUAL DISPENSARY: A CLEAN OPTION TO COLLECT CANNABIS SALES TAX. Mr. Michael Ada for Fifth ACE, LLC d/b/a The Jive Hyve gave a presentation on La Junta's cannabis alternative. They are a licensed cultivator, dispensary and transporter in Ordway and are the first fully virtual dispensary in Colorado. They offer MED compliant online ordering and delivery system providing customers with privacy and security. Currently, La Junta does not permit cannabis adult-use retail marijuana outlets per Ordinance No. 1536. However; it is permissible for a La Junta resident to drive to another jurisdiction to purchase and transport cannabis to their residence. As permitted by Colorado Marijuana Enforcement Division (MED) regulations, cannabis delivery has been permitted in response to the COVID-19 pandemic effective January 1, 2022. Benefits to La Junta would be: no need to license a physical dispensary and incur associated expenses, receive tax revenues associated with delivery sales into the jurisdiction, and reduction of risks of residents driving impaired while transporting cannabis purchases back into La Junta.

City Manager Comments

The Water Department was busy thawing frozen services last week.

Cold temperatures caused other problems with frozen services and heating units for Property Management.

The warming shelter was open through the holiday at the Armory. A Big thanks to all of the volunteers that helped staff the shelter and feed the folks staying there. Also, thank you to the citizens of the La Junta that donated items to help the folks staying at the Armory.
